Minnesota Climate Change Advisory Group Technical Work Group Preferences

To help us make the best technical work group (TWG) assignment for you, please indicate one first preference and one second preference, for a total of two preferred TWGs overall. All Climate Change Advisory Group (MCCAG) members should participate in at least one TWG, and members may participate in more than one group space permitting. The Minnesota Department of Commerce (DOC) and Pollution Control Agency (PCA) will then organize membership of the TWGs and notify you. The Center for Climate Strategies (CCS) will contact you about the logistics, agenda, and background materials for the first TWG teleconference discussion.

For additional information about the TWGs, please contact Edward Garvey, DOC at (651) 296-9325 (edward.garvey@state.mn.us), David Thornton, PCA at (651) 284-0382 (david.thornton@state.mn.us), Tom Peterson, CCS at (703) 691-2199 (tdp1@mac.com), or Ken Colburn, CCS at (603) 279-0770 (kcolburn@symbioticstrategies.com). Thank you for your participation.
